11:07:45 From Alexis Corbin : Gotcha. Thanks!

11:10:57 From Isaia Griffin : Hello all this is Patricia with RGEC, I don't know why my name is showing as Isaia Griffin.

11:15:57 From Sara Van Note : Can you talk about what cyber insurance is?

11:16:34 From Mary Bretting-Miller : We were able to purchase masks from Shamrock Janitorial Supply and gloves from Aztec Discount Supply in ABQ

11:16:43 From Rosy Macarah : Can you share the type of devices you are going to use and the cost?

11:17:49 From Penelope Buschardt : From what I understand APS students will have their Chrombooks throughout the summer.

11:25:41 From Kelsey Moore : Rube Goldberg! Nice!

11:26:44 From Jennifer Duran-Sallee : ECECD and CYFD updated health and safety guidelines last night on [www.newmexicokids.org](http://www.newmexicokids.org)

11:27:15 From Hollie Lovely : We (NMPBS) are putting a virtual summer SciGirls Camp with CNM this year! We have lots of ideas on how this is being done! email me: [hlovely@nmpbs.org](mailto:hlovely@nmpbs.org) for more info.

11:29:31 From Kristin Leigh : Thanks, Jennifer! I will check those out today! Appreciate it!

11:30:07 From Kristin Leigh : Awesome! SciGirls Camp! Thanks, Hollie!

11:34:23 From Hollie Lovely : Love your videos NDI!

11:36:01 From Valarie Bellson : Do participants pay a fee to be on line for your classes?

11:36:39 From Mary Wommack : How has Zoom access been working on Chromebooks and various free internet access methods (like hot spots).

11:36:48 From Hollie Lovely : Do you have a channel or website where those videos live?

11:36:50 From Flo Trujillo : Jeff: Question for the end... could the organizations provide a link or information about summer reading from their communities in kits, packets, lunches, etc. We are a low-literacy state and summer reading at libraries is something kids always look forward to. There will also be online virtual summer reading programs from some libraries throughout the state. Maybe leaving some information in the Free Little Library sites? thank you.

11:37:48 From Hollie Lovely : Flo: The State Public Library has free ebooks to promote for remote book access

11:38:15 From Shannon Bay : <https://www.sfcommunityeducators.org/distance-learning>

11:38:26 From Flo Trujillo : Could we get a link for NDI?

11:38:58 From Flo Trujillo : Yes, thank you Hollie! I believe they will offer the bookmobile, too.

11:40:02 From Flo Trujillo : Thank you Shannon

11:40:16 From Russell Baker : [www.ndi-nm.org](http://www.ndi-nm.org)

11:42:36 From Tera Madrid : Please make this meeting available for us to listen to again. Great ideas shared and I would like to listen again as I am distracted by my own work from home children.

11:42:41 From Flo Trujillo : Sara: link to the Virtual OST programming?

11:43:34 From Kelsey Moore : You can find many resources for students, families, or educators on our website at [stem.nmsu.edu](http://stem.nmsu.edu)

11:44:27 From Deb Novak to Jeff McConaughy(Privately) : can't get rid of a hand raise accident

11:44:39 From Jeff McConaughy to Deb Novak(Privately) : No worries.

11:45:40 From Kelsey Moore : You can also watch our YouTube channel where we put out new videos often. You can search NMSU STEM Outreach on YouTube and you will find our channel.

11:45:43 From Jeff McConaughy to Deb Novak(Privately) : Apparently, the meeting host (me) has to lower your hand for you.

11:45:48 From Jeff McConaughy to Deb Novak(Privately) : Go figure.

11:46:21 From Flo Trujillo : Love TikTok challenge!

11:46:55 From Mary Bretting-Miller : In Albuquerque, the APS District Title I Department hosts "Story Time in the Park" at 25 of the Summer Free Lunch Sites in CABQ and BERNCO. Summer 2020 will be a Grab and Go format. We will distribute high quality children's literature, lesson ideas, family engagement reading tip-sheets, and reading strategies - so families can work with their children to

prevent Summer Learning Loss and to promote the joy of reading! The sites have not been finalized. When they are, they will be listed on the City, County, and APS websites. Questions or Information: Mary Bretting-Miller, miller\_m@aps.edu

11:47:25 From Russell Baker : I also think that family engagement is an excellent opportunity where possible! I love that multiple groups are thinking about this!

11:49:02 From Billie Mathews : Thank you presenters! <3 the positivity!

11:49:02 From Flo Trujillo : Go Joaquin!

11:49:25 From Valarie Bellson : Elah'kwa! Thank you so much to the speakers.

11:49:40 From Amy Tapia : You all are amazing! Thank you for everything you are doing to keep our kids learning!

11:50:42 From Amy Tapia : I think having a resource page for families would be very helpful. Any plans for NMOST or someone to coordinate - could be lots of work!

11:51:54 From Beth Cortright to Jeff McConaughy(Privately) : Many parents/guardians that sign up for our day camps rely on us to provide child care during the week, during the summer, especially for essential workers. Has anyone found a way to provide that service while considering the high cost of small group programs, all while adhering to CSPs? All I've heard is Explora serving 5 kids starting in late June. We're going to have a big problem once parents start going back to work.

11:51:57 From Valarie Bellson : A thought or idea? If a group or organization paid for the fee could they provide the class to a group or community?

11:51:58 From Kristin Leigh : Thanks so much, Amy!

11:52:41 From Russell Baker : Here is the link to NDI's YouTube channel (free!):

11:54:15 From TOM WALPOLE : If we already have CYFD clearance through working with RGEC, will that work for other programs?

11:54:36 From Kristin Leigh : Insta: explora\_nm

11:54:40 From Kristin Leigh : Twitter: Explora\_NM

11:54:58 From Kristin Leigh : All of these have virtual learning activities posted.

11:54:58 From Janine Morales : Shout out to May for speaking on the needs of OST on the call yesterday morning :)

11:55:14 From Alexis Corbin : Is there a link to the city guidelines regarding turning kids away at a certain temperature, etc? I couldn't find this...

11:55:39 From Mary Wommack : I'd like to hear about programs experiences of limitations of access of chrome books and the various free internet access methods

11:56:50 From Mary Wommack : Will those city guidelines be applied to all summer programs and override state guidelines?

11:57:25 From Yvette Bell : Exact language on CYFD guidance document shared last night: Group sizes should not be larger than 10 (e.g., two adults and eight children). [ECECD is closely monitoring the evolving coronavirus situation. If our guidance on group sizes changes, we will communicate that information immediately.]

11:57:30 From Beth Cortright : <https://www.cabq.gov/mayor/news/mayor-keller-announces-plans-for-summer-youth-programs>

12:01:16 From Kristin Leigh : Thanks for participating, everyone!

12:01:17 From Jeff McConaughy : Thanks to our presenters and to everyone who participated in the call today.

12:01:52 From Jeff McConaughy : I'll work on getting the recording and presentation slides available and send out an email with links when those are ready. Probably not until tomorrow.

12:02:03 From Janine Morales : Thanks!

12:02:12 From FELICIA CARRILLO : Thank you all for taking the time to share this information!

12:02:15 From Juaquin Moya : Thank you everyone! I wasn't able to mention this, but we are looking at alternative ways to track data for this summer. Family engagement is also an important thing to consider. Thank you again for attending!

12:02:27 From Rosy Macarah : Thank you for sharing best practices and all that we are learning in this times of change.

12:02:31 From Billie Mathews : Have a great week!
