

## ✓ **Data/Research**

### **Summer 2020 Considerations**

- **Think in the long term and more school year support.**
- **Prioritize support for social-emotional wellbeing of students and families who need it most.**
- **Maintain traditional enrichment programming for students.**
- **Emphasize student safety and contain the spread of COVID-19.**
- **Give careful thought in using volunteers.**

### **Scenarios:**

- **Distance and Virtual Learning**
- ✓ **Daily Meal Site & Packet Handouts**
- ✓ **Virtual Classes (6 weeks) - Google Classroom and Youtube platforms**
- **Hybrid Distance(4weeks)/In Person (4 weeks)**

**Considerations and Questions:** Finding thermometers and masks, waivers and permissions, finding a nurse, devices, transportation, cyber liability.
