Data/Research

Summer 2020 Considerations

- Think in the long term and more school year support.
- Prioritize support for social-emotional wellbeing of students and families who need it most.
- Maintain traditional enrichment programming for students.
- Emphasize student safety and contain the spread of COVID-19.
- Give careful thought in using volunteers.

Scenarios:

- Distance and Virtual Learning
  - Daily Meal Site & Packet Handouts
  - Virtual Classes (6 weeks) - Google Classroom and Youtube platforms
- Hybrid Distance (4 weeks) / In Person (4 weeks)

Considerations and Questions: Finding thermometers and masks, waivers and permissions, finding a nurse, devices, transportation, cyber liability.
