

Measuring and Tracking Staff Performance

Program Activity - Homework Help

Purposes / Objectives:

Students: Practice and assess what was learned in class in order to facilitate learning.

Families: Support families who may not have the time or knowledge to help their student with homework.

Indicators of Success should be:

- Directly connected to the purpose / objective of the activity
- Focused on the STAFF's level of performance
 - Are developed by/with the staff
- Easy to track
- Fun
- Celebrated

Activity Instructions:

Work in a small group to identify some indicators of staff performance and how you would track them for the program activity above. Write ideas on one sheet and be prepared to share one idea with the large group.
