New Mexico OST Leadership Institute Agenda  
Room MP3, Explora Science Center- September 13-15th 2019

Day one: Friday, September 13th

Presenters: May Sagbakken (NMOST), Tim Karpoff (Public Engagement and Facilitation)

Themes: Team Building - World Cafe Conversations

Learning Objectives
- Develop a vision of a successful OST Leadership Institute
- Demonstrate group facilitation process
- Begin building strong relationships among the participants

11:00 - 12:00  Welcome and Lunch - Introductions, review agenda, OST-LI vision

12:00 - 3:00  Tim Karpoff guides participants in world cafe style conversation  
World Cafe: “What are indicators of a successful Leadership Institute?”
  ○ A linked series of 3 discussion rounds, of 25 minutes each, in (different) 
groups of four people. Each round will have a slightly different emphasis, 
and will build on previous rounds, e.g.:
    ■ First round: What has brought you here?
    ■ Second round: What potential for learning and growth do you see?
    ■ Third round: What are specific images of a successful Institute?

3:00 - 3:30  Cafe “Harvest” of Ideas  
The whole group will develop a list of common images or indicators of success.

3:30 - 4:00  Wrap up, May Sagbakken (NMOST)
Day two: Saturday September 14th

Presenters: Patty Emmord (Collaborative Solutions Consulting), Tom Scharmen & Dr Joan Goldsworthy (NM Community Data Collaborative), Moneka Stevens (Future Focused Education), Celestina Garcia (Coaching Solutions)

Themes: Assets Based Planning Process, Data and Mapping, Promoting Positive Youth Development, OST Ambassadors

Learning Objectives:
Assets Based Learning:
- Learn about differences between appreciative, assets/strengths-based thinking and more critical problems-based analysis
- Using a Scenario, participants will engage in activities that provide the foundational and paradigm groundwork needed for assets based strategic planning
- Learn how assets-based thinking provides the groundwork for envisioning an ideal future direction and developing action plans

Resource Data and Mapping:
- Successfully navigate the OST story maps and NMCDC website to plan local projects and answer public health questions by the end of the workshop.
- Craft public health questions that explore the interactions between assets and risks.
- Teach each at least one person what they learned during the workshop.

Positive Youth Development
- Strategies to work through a Positive Youth Development lens
- Why fostering relationships with Young People is an effective approach
- Ladder of Youth Participation as a tool to engage youth in leadership roles
- Reflect on your practice as a Youth Practitioner

8:00 - 8:30  Breakfast is served
8:30 - 9:00  Welcome, NMOST Guiding Principles of Quality - May Sagbakken
