Free Lunch Program

\*Images taken prior to COVID-19 pandemic

# The Virtual Pivot: Education

- Family and classroom activity kits
- Virtual exhibition programs
- DCA Invite an Educator

**Share your thoughts! Write and/or draw here.**

*This was fun to share with kids. ↙  
The kids had a good time picking  
out what to place in each egg for  
the maracas instruments.  
We used - rice, beans & bird seed. 2 eggs,  
2 spoons & duct tape. Thank you for sharing with  
us here in Baton Rouge.  
How do you feel about the home activity kit?*

# Collaborations

- Special Events
- Custom Programs

# Contact us – Let's plan a visit!
