Sponsorship & Exhibitor Opportunities

There is a nominal fee to attend this year's NMOST annual Fall into Place Conference. Sponsorships help with the overall cost of the conference and offer visibility and recognition for your company and organization. In order to keep this an affordable conference, ensuring that every OST professional can attend, we rely on sponsors to support the participation of hundreds of participants.

We are excited to offer multiple Sponsorship opportunities during our 13th annual conference. Secure your spot today! **Complete the Sponsorship Agreement at this [LINK](#)**. You will be able to upload all your information in September and be a visible sponsor for 2-5 weeks during the soft launch. We encourage you to complete your sponsorship agreement as quickly as possible. Early registration as a sponsor will ensure maximum visibility before and after the conference. Sponsorship, exhibit, or ad space is not confirmed until the signed agreement and fees are received by NMOST. All opportunities are allocated on a strictly 'first-come, first-served' basis.
