

Water Power

A virtual workshop for middle and high school educators, librarians and out-of-school time providers

Learn about renewable energy from the waves, tides, and currents. Roll up your sleeves for some fun activities ready for your classroom, and learn all about clean, renewable energy! Participants will receive a kit of materials.

Thursday, September 14, 2023
4 pm - 6 pm

Virtual - Zoom link sent the day before

Register by Sept 4 for kit pick up or shipment for first 15 registrants. Share a login and kit of materials!
